VERICOM®

Cable Clip with Screw

Our cable clips come complete with screws composed of carburized steel with a yellow zinc coating to resist corrosion. and meet or exceed most salt spray standards. Most options are available as self-tapping or self-drilling and are available as 1/2", 9/16", 5/8", or 7/8" screw depth.

Self- Tapping

Self- Drilling

Single

Dual

Features & Benefits

- Secures cable runs to flat surfaces for enhanced stability
- Suitable for indoor or outdoor applications
- Cable clip composed of UV rated LDPE material for outdoor environment longevity
- Combination Slotted / Phillips Hex Head Screw Type
- Quick and easy installation
- Available as self-tapping or self-drilling screws in multiple lengths
- Most styles available in black or white
- Packaged in Bags of 100

Applications

Our cable clips are ideal for securing longer runs of cabling indoors or outdoors, and are commonly used in residential or commercial environments to mount and manage cabling / wiring run between components.

Standards Compliance

- UV Rated
- RoHS Compliant

Description / Specifications

These UV rated cable clips enable your installation to maintain a professional and tidy appearance, safeguard against tripping hazards, and provide an inexpensive solution for avoiding cable strain while preserving signal clarity.
